

Antonin Litschgy

Software engineering student

About me

Being passionate about computer science and web development, I decided to join an engineering school specializing in computer science after a "prépa". I spend all my free time learning new things, especially in the school associations.

Soft Skills and Strengths

- Adaptability
- Managing team
- Enthusiasm
- Good Listener
- Fast Learning
- Good relationship skills

Professional Skills

- git
- npm
- Agile methods
- use of API
- DevOps
- Latex

EDUCATION

2021-2025 	Engineering degree ENSEEIHT INP I am currently studying for a degree in computer science with a specialisation in software engineering	📍 Toulouse, France
2020-2021	Prépa PSI <i>Lycée Paul Cézanne</i>	📍 Aix-en-Provence, France
2019-2020	Prépa MPSI <i>Lycée Thiers</i>	📍 Marseille, France

EXPERIENCES

june - november 2023	Développeur Full Stack <i>Thales Alenia Space</i> For 6 months I developed several applications for the transformation division of Thales Alenia Space. I mainly worked on a React Typescript application under Electron. I also worked in Python and with other Javascript frameworks such as Angular.	📍 Toulouse, France
july 2023 - Now	Développeur Full-Stack <i>INP-net</i> In early 2023, we set ourselves the goal of developing the ENSEEIHT student application. Thus was born "Churros", a kind of social network developed by a team of 10 people in Svelte, Typescript and PLpgsql. Development began in the summer of 2023, with the aim of having the application up and running by September. I'm still part of the ongoing development team for this application, which is updated on a regular basis.	📍 Toulouse, France
sept 2021 - Now	Webmaster <i>Raid INSA-INP</i> I develop and maintain the registration platform for the Raid INSA INP association in PHP. I also recently redeployed the WordPress site in dockerized version on the ENSEEIHT association servers.	📍 Toulouse, France
april 2022 - Now	Member of the student office <i>AEn7</i> I was in charge of the n7's 70 associations, as well as treasurer of the sound and light association and a member of the IT and video associations.	📍 Toulouse, France
sept 2021 - Now	Rescuer <i>Protection Civile</i> In my free time, I take part in first-aid operations with the civil protection organization.	📍 Toulouse, France

</> LANGUAGE DE PROGRAMMATION

- **TypeScript:** Specialized
- **React.js:** Specialized
- **Svelte:** Specialized
- **PHP :** Advanced
- **SQL:** Advanced
- **HTML5 / CSS3:** Specialized
- **Matlab:** Intermediate
- **Python:** Advanced
- **Java:** Advanced
- **C:** Intermediate

PARALLEL EDUCATION

In parallel to my studies I have also done some other training and obtained diplomas

- **Openclassroom**, Create your website with HTML5 and CSS3 *Mathieu Nebra*
- **Openclassroom**, Design your website with PHP and MySQL *Mathieu Nebra*
- **Openclassroom**, Learn to program with JavaScript *Will Alexander*
- **FNMNS**, PSE1-2, *Professional first-aid diplomas*
- **EPM**, BNSSA, *Lifeguard diploma*
- **UFCV**, BAFA, *Camp Leader diploma*
